RESPONSIBLE FUR

From fur farm to fashion, Saga Furs® represents the finest mink, fox and finnraccoon pelts produced with care and respect on European fur farms, where animal welfare, transparency and traceability are key words. After careful inspection by grading experts, only the best pelts are awarded the prestigious Saga Furs® label.

THE DESIGNER'S CHOICE

The highest level of creativity demands the finest quality of fur. Saga Furs® is at the forefront of fur and fashion, and the many international designers and brands working with our products recognise Saga Furs® as the ultimate luxury material. Our presence on the fashion runways in New York, London, Milan and Paris is the proof, that Saga Furs® is the designer's choice.
