

CERTIFIED FARMED FUR

LUMI ROYAL

CERTIFIED FARMED FUR

REAL FUR

This fur item is made with superior quality fur from Saga Furs.

It is certified, traceable and a prime example of sustainable fashion.

sagafurs.

sagafurs.com/transparent

Certified fur farms set the standards with the highest level of animal welfare through independent inspection and audits.

Traceability provides full transparency from farm to retail and is further proof of good environmental management

Natural fur is warm, breathable and water resistant. These qualities also guarantee longevity. When taken care of correctly, fur can last for decades.
